CATALOGUE

ASCOT PARK HOTEL, INVERCARGILL. SATURDAY AUGUST 26TH 2017 5pm - 7pm

Welcome

The 26th August 2017 marks the 50th Anniversary of motorcycle speed legend Burt Munro's remarkable achievement on the Bonneville Salt Flats in Utah, USA.

On that day, Burt claimed the World Record for a Class S-A 1000cc motorcycle with an average speed of 184.087mph. (North run 184.710mph and South run 183.463mph). It's a record that stands to this day and it brought Burt Munro - and Invercargill - to the attention of the world.

The E Hayes and Sons name and iconic Invercargill hardware store has long been associated with Burt Munro and his achievements. Fifty years to the day after reaching his goal, we are proud to celebrate Burt's record and the legend of his 'World's Fastest Indian' by presenting a CHARITY AUCTION in aid of Hospice Southland.

Hospice Southland provides specialist palliative care to those with a life-limiting illness in Southland and the Wakatipu Basin. The service is provided free of charge caring for around 120 patients in the community at any given time.

Hospice Southland receives just under 50% of funding from the Ministry of Health, which leaves a shortfall of \$2.1million to be raised each year to keep services free of charge. This shortfall is met through the generosity of the Southland and Wakatipu communities through grants, bequests, donations, and fundraising events such as this one.

The response to our event has been overwhelming - and humbling. The items presented for auction today are the result of many months of hard work behind the scenes by our staff and support team plus a wealth of generous support from colleagues and suppliers who have donated their goods, their time and services to ensure we raise as much money as we possibly can to support this worthy cause.

We hope you enjoy tonight's event, bid generously and spare a moment to remember and honour the man and the legend who started it all - **Burt Munro**.
